13", 15" & 17" rogue

laptop protection in rogue disguise

Rogue backpack comes in 3 sizes to fit most 13" 15" and 17" notebooks.

Rogue creates mischief for would-be thieves by concealing the laptop compartment from view and hiding it in an internal wall of the bag- so nobody knows you're carrying a laptop except you.

This backpack features STM's unique protection system, cushioning the laptop with high density padding and a foam suspension cradle. Its clean design makes the backpack ideal for streetwear as well as the boardroom.
